The README has four parts

Question, data credit, finding, how to run.

```
# My project title
**Question:** ...
**Data:** Chen, D. (2012).
  Online Retail II. UCI.
**Finding:** ...
**How to run:** ...
```

Your three slides

Question

One sentence.

Finding

One chart, one big number.

Recommendation

What a manager should do.

Reflection, due before Session 10

Show a cell

What you can do now.

Mistake

The biggest one, and the fix.
