Python for Supply Chain

Session 10 · Thu 17 Dec 2026

Showtime

Today's agenda

Time	What
5 min	Your presentation
15 min	Interview-style questions
10 min	Feedback
After the break	Reflection and what next

Questions to expect

Walk me through

Your project, in 2 minutes.

Why

Did you remove those rows?

How

Did you check your numbers?

Keep, stop, start

Keep

What worked well.

Stop

What did not help.

Start

What you want more of.

What next

Practise

Redo one project step each week.

Explore

Power BI, more SQL, VS Code.

Share

Keep your GitHub project up to date.

Thank you

You did the work. Keep going.
